OTHER OPTIONS FROM THIS PAGE

The screenshot displays the EMC ApplicationWelder interface. On the left is a sidebar with a tree view of applications. The main area shows a 'Query Results' table with columns: PO NUMBER, VENDOR NAME, VENDOR NUMBER, INVOICE NUMBER, CHECK NUMBER, and TYPE. A callout box points to the top right of the table area, containing three options: 'UPLOAD NEW DOCUMENT', 'UPLOAD NEW BATCH', and 'MANAGE BATCHES'. Another callout box points to the top right of the application window, containing two options: 'Last Query' and 'Last Query Result'.
