

# Student and faculty poster printing hours and information

## Student Poster Printing

Poster printing is provided during the hours listed below in Conway Hall (TETC) 352. As posters can take 20 minutes or longer to print, to guarantee that your poster will be printed in a timely manner it is recommended that students schedule an appointment by emailing [posterprinting@salisbury.edu](mailto:posterprinting@salisbury.edu). Prints are limited to one copy or print per project.

There is no cost for students to print posters for the purposes of coursework or research. Poster printing is for academic projects only. No personal printing or printing for clubs, RSO or any non-academic functions.

Students, departments or faculty should contact Mike Camillo with questions about poster printing at 410-677-0031 or ext. 70031.

## Faculty Poster Printing

Faculty who are presenting a poster for a conference or for academic purposes can do so using the large format printer in the Faculty Development Studio in [AC 221](#).
