

Using Duo at Multiple Institutions

To use Duo at more than one institution complete the following setup process:

After opting in to Duo start the setup process at your next login.

1. Choose Your Authentication Device Type. Select the type of device you'd like to enroll and click Continue. We recommend using a smartphone for the best experience.

The screenshot shows the Duo Security setup interface for Salisbury University. On the left is the university logo and a sidebar with links: "What is this?", "Add a new device", "My Settings & Devices", and "Need help?". Below the links is the text "Powered by Duo Security". The main content area is titled "What type of device are you adding?" and contains two radio button options: "Mobile phone RECOMMENDED" (which is selected) and "Tablet (iPad, Nexus 7, etc.)". A green "Continue" button is positioned below the options.

2. Type Your Phone Number. Type your phone number in the box provided. Use the number of the smartphone that you'll have with you when you're logging in to a Duo-protected service (i.e. GullNet, MyClasses, etc.) Double-check that you entered it correctly, check the box, and click Continue.

The screenshot shows the Duo Security setup interface for Salisbury University. On the left is the university logo and a sidebar with links: "What is this?", "Add a new device", "My Settings & Devices", and "Need help?". Below the links is the text "Powered by Duo Security". The main content area is titled "Enter your phone number" and contains a dropdown menu for "United States", a text input field with "+1" on the left and "4105551234" in the field, and a green checkmark to the right. Below the input field is the text "Example: (201) 234-5678". A checkbox is checked, and the text next to it reads "You entered (410) 555-1234. Is this the correct number?". At the bottom are two buttons: "Back" and "Continue".

3. Choose Platform. Choose your device's operating system and click Continue.

Salisbury UNIVERSITY

What type of phone is ?

- iPhone
- Android
- Windows Phone
- Other (and cell phones)
