

Required Training Access Questions and Information

SU faculty, staff and student employees will be required to take trainings from emails they will receive from LawRoom/Vector Training. This will contain a link to the mandatory training. You will need to log in with your SU username and password. Please look for SSO login when available.

Email

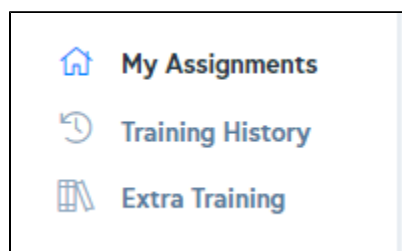

You will receive emails regarding various trainings with the subject: **Salisbury University Online Regulatory Compliance Training**

THIS IS NOT SPAM and it is only to inform you of required course assignments. **The online courses are mandatory for all faculty, staff and student employees.**

Salisbury University students and employees are required to complete the courses assigned. This will ensure that all employees are in compliance with federal and state guidelines, which require annual training for all faculty, staff and student employees. The University has determined that these training modules will help us successfully comply and fulfill these mandatory requirements.

To access your online courses please log into Gullnet and select **Required Training** on the initial page under the Student or Employee External Links.

Depending on the training, after logging in you may notice **My Assignments** in the column on the right along with your **Training History**.

Please consult assignments to see what is required.

Thank you,

The Information Technology Department
