

# Enrolling in Duo for the First Time

**\*You will need to have your smartphone in your possession to setup your Duo Authentication. If you do not have a smartphone, you will need to be assigned a Duo Token device.**

Begin by installing the DUO Mobile app on your smartphone by visiting the [App Store for Apple](#) or [Google Play Store for Android](#)

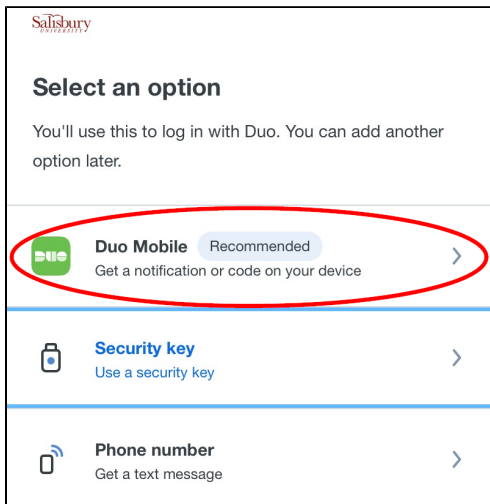

Login to <https://gullnet.salisbury.edu> with your SU username and password.

You will see a **Welcome to DUO** screen, select **Next** then **Next** again to initiate setup.

Under **Select an option** choose **DUO Mobile**.

If you have a phone that does not support installation of the DUO Mobile App please select **Phone Number** instead.

Enter your mobile **phone number**

[< Back](#)

### Enter your phone number

You'll have the option to log in with Duo Mobile.

Country code

 +1 ▾

Phone number

Example: "201-555-5555"

Continue

[I have a tablet](#)

Verify the number is correct and select **Yes, it's correct**.

[< Back](#)

### Is this correct?

Yes, it's correct

[No, I need to change it](#)

DUO may require confirmation of ownership, if so select **Send me a passcode**.

[< Back](#)

### Confirm ownership

Send me a passcode

**Enter the Passcode** sent via text message to the cell phone number you previously listed and select **Verify**.

**Passcode sent**

Enter the two-factor authentication passcode sent to

-----

Verify

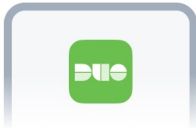

Sent! You can resend in 7 seconds...

If you do not already have the app installed select **App Store** or **Google Play** to the install the DUO Mobile app now.

[Back](#)

**Download Duo Mobile**

On your mobile device, download the app from the [App Store](#) or [Google Play](#).

Next

**If you are logging into GullNet using your smart phone,** select **Continue** then **Open** to be forwarded to the DUO Mobile app for activation.

[Back](#)

**Open Duo Mobile**

Open Duo Mobile to connect your account

Continue

[Get an activation link instead](#)
