

Play Enter/Exit Chime in Zoom

This guide provides instructions on how to enable sound notification when participants enter/exit a zoom meeting.

Step-by-step guide

1. Start your zoom meeting.
2. Click the Participant tool
3. Click the More button on the participant window
4. Click to select the option to "Play enter/exit chime"

5. A check mark in front of the option indicates that it is enabled.
