

Accessing Workspace virtual applications-On Campus/SU computer

The following are instructions on how to use Workspace via an on campus/SU device. Please see [Accessing Workspace virtual applications-Off Campus /Personal Device](#) for instructions to be used when on a personal device off campus.

Browse to <https://workspace.salisbury.edu> via your internet browser

In the upper right-hand corner, click on your name and use the drop down to navigate and click on **Account**

Under **Preferences>Horizon Remote Apps** verify **Browser** is selected.

Select the Back button to go back to the list of applications found under **Apps**

Select the application you wish to use and continue.
